**Volunteer Opportunities**

Board members and other committees often need a helping hand for a short time or for one project or event. Because we are a totally volunteer organization, we need your help in many ways! Part of being a member of the NLCQG is being active in the projects that interest you! In addition, membership responsibilities do include working a minimum number of hours at our biennial quilt show (October 2011). Please check below those activities you might be able to assist with:
