Cut on the drawn line and press seams to dark side. Trim to measure 4 ½ inches square.

2. Sew blocks together (using the 4 ½ inch wow) in three rows using all scant 1/4" seams, as shown below. Press seams in alternating directions by row.

To make a 9 inch block, cut squares to make HST 4 inches, then trim to 3 ½ inches square.

To make a 6 inch block, cut squares to make HST 3 inches, then trim to 2 ½ inches square.
