

Charity Projects 2019

Thank you to everyone for helping to make 2019 a very productive year. We made a total of 444 items which were given to 7 different charities. In November there was a Charity Pillowcase Sew-In. We had a very efficient assembly line and were able to make a total of 95 pillowcases. **It was very impressive and great success!**

We would like to thank everyone who participated in the Holiday Charity

Project. In addition to the pillowcases made during the October Sew-in, members made mug rugs, Kleenex holders, placemats, table toppers and small table runners. We were able to meet our goal of collecting enough items to give a gift to each resident at Oak Hill, Autumn Leaves, and Bickford Senior Living. We even had enough left over to provide additional items for Bingo prizes. **Thank you for making this a memorable holiday for these residents**
