

Charity Projects Completed 2020

We would like to thank everyone for making Charity program very successful & rewarding. The program would not have been as successful without your participation and generosity, thank you all. A special thanks to those who continued to think of others by making charity items through this trying time. It was very much appreciated by the charities who received the items.

Charity Holiday Project: Charity Holiday items were distributed the first week of December to Bickford of Gurnee, Gurnee Place Memory Care, Oak Hill Supportive Living (Round Lake) and Charter Senior Living of Vernon Hills. The total number of donated items was 493, which was enough to give each resident at least 2-3 items plus decorations for each facility. All the agencies were extremely grateful for the holiday donations, especially this year.
