

NORTHERN LAKE COUNTY QUILTERS' GUILD

THREADLINES

AUGUST 2024

President's Message

Thanks to everyone who made bingo boards for our July meeting and be sure to be on the lookout for some very colorful 'kits' coming from our charity chairs very soon! Since this event was so much fun, the board has decided to make bingo an annual event in conjunction with our ice cream social. All the bingo prizes given out were donations, so if you find any new items in your sewing room that you don't think you'll use, think of donating them for 2025!

I can't thank all of you enough for helping with our search for the next guild president. There is news! (see below)

While our meeting locations are still floating around, our guild is firmly grounded with many wonderful activities. I'm really looking forward to Nancy's presentation next week and I hope to see you all on the 7th!

Karen

September Elections

The Board position of President will be on the ballot for elections to be held during the September meeting. Here is a preview of The ballot for next month:

Upcoming Meeting Information

August 7 – Nancy Brieschke - Every quilt has a story! – Lake Villa Library

We make quilts for a variety of reasons. Is it for a new baby, a graduation, a wedding or just because? Even if it is "just because" it does tell a story. Think about the process - where is the fabric from? How did you choose the colors? Why did you pick that design? The list goes on. Nancy's presentation will tell you the stories of her quilt making. From the early years to the present, they are all very different.

Nancy Brieschke, an accomplished quilter, has been quilting for over 50 years. Starting out as a traditional quilter she has now included modern and art quilts in her collection.

Many of Nancy's quilts have won various awards from quilt guilds and a local fair. Best of Show, Best of Show Original Designs, Best of Show Machine quilting, Viewer's Choice Award, First Place Advanced Category, Original Work Honorable Mention (National Quilting Association Juried Wall hangings), and a juried wall quilt that traveled for a year with the International Quilting Festival Celebrate Spring. Nancy has a quilt pattern registered with the Library of Congress.

September 4 – Elections!

It's time to vote!

At our September meeting we will be casting our ballots for our next guild President, as well as voting for our favorite challenge quilts!

Schoolhouse Demos/ 10:00–12:00

Location: Lake Villa Library

Join us for a morning of learning new skills! Your fellow guild members will present four different quilting techniques to add to your skill sets.

Neckties are colorful and plentiful—and they are a great source of fabric for quilt makers! Nann will show you how to prepare ties for sewing and show examples of necktie projects.

Demonstrator: Nann Hilyard

Itajime shibori is a Japanese dyeing technique where fabric is folded, clamped between wooden shapes, and then dyed. It produces unique geometric repeating patterns in the cloth. Al has developed a fast version using fabric paints instead of dye.

Demonstrator: Al Krueger

There are many ways to **present your smaller wall quilts**. In this demo you will learn how to wrap a small quilt around a gallery wrapped canvas for an elegant finish.

Demonstrator: Karen Grage

Learn to be comfortable with the **AccQuilt Go**. See how easy it is to cut binding in minutes, cut all of your block pieces in one smooth move and even applique for blocks and other projects.

Demonstrator: Cathy Warchal

Date: September 14th

Charity Sew: Project Linus / 1:00 – 4:00

Use precut I-Spy squares along with some of our AccQuilt Go fabric cut in the morning's demo to make adorable quilts for Project Linus

Note: These events are open to all and we will have the room from 9:30 – 4:15. While reservations are not required, if you know you are attending, please let us know by emailing: skillbuilders@nlcgg.org so we know about how many to expect.

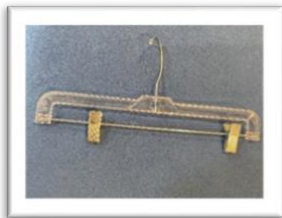

Charity Corner

We will never tire of thanking you for your generosity. Together, we comfort all ages, from baby blankets to walker bags, we've got them covered! At our last meeting alone, we collected 13 items for distribution.

Our **Farmers Market Boutique** is also building inventory thanks to everyone's help. 30 bowl cozies, 10 cold cup cozies and 20 hot cup cozies are ready for sale. At our last meeting, kits for burp cloths and pot holders were available. We are looking forward to adding them to our inventory.

How are your **Charity Challenge Quilts** coming along? Remember to choose your favorite (if you made more than one) to enter for voting. Quilts will be displayed at our September meeting. If you need more fabric from our stash, let me know in time to bring it to our August meeting.

Hangers needed – We will be having many of those afore mentioned challenge quilts to display in September. Please check your closet for swivel hook hangers with clips that you can donate to guild.

I will arrive shortly after noon with bins of fabric for us to explore our **Flower Power!** Choose fabrics, pick a pattern, make and take kits and start sewing! Our garden variety quilts can be fun for all ages.

Email Charity@nlcgg.org if you have any questions or comments about our on-going needs.

Thanks Again, Roberta & Dawn

Sunshine Notes

We hope everyone is well. If you hear of anyone experiencing a difficult time or who needs special cheering up, please contact Nancy Taylor, our Sunshine Coordinator. sunshine@nlcgg.org

What to do with your leftover half square triangles?

If you are making the challenge charity quilt, there will be many leftover half square triangles. Here is a suggestion for their use. Take four of the squares and sew them together in a pattern that appeals to you. This will produce a 9 inch block you can use to make a potholder. The charity committee is making items to sell next year at a boutique.

Take the 9 inch block, another 9 inch block or 9 inch square of coordinating fabric, and place them right sides together. Add a 9 inch square of batting and a 9 inch square of Insulbrite interfacing (which stops heat from

transferring) to the two pieces of fabric and sew around the outside, leaving an 3-4 inch opening for turning. Turn the fabric to the right side, close the opening and stitch a ¼ inch top stitch around the perimeter. Stitch in the ditch within the potholder to provide stabilizing quilting to the potholder.

There will be 9 inch squares of the Insulbrite interfacing available for your use in the charity potholders at the next guild meeting on July 10th. Questions about Charity? Email

charity@nlcgg.org.

Upcoming County & State Fairs

Block of the Month 2024 – August

Hello my quilt Family!!!
I really hope you enjoyed this 2024 BOTM journey with me! It has been wonderful, fun, happy, challenging, and all of the above! Thank you so much for taking the time to following along this journey! It was an amazing experience to be a part of and I loved being a part of your 2024 quilting world! If you have any questions, please just contact me at bom@nlcgg.org! Quilts will be displayed at our November meeting.

Block of the Month 2025

Quilt Maker's Sampler

The 12-month sampler blocks are suitable for beginners as well as experienced quilters. There will be a variety of designs incorporating piecing, paper piecing and some applique. Several blocks may be familiar, and a few may not be. It is a journey we will be taking together.

Two color choices – Scrappy whatever you pick OR Scrappy Christmas. Please do not mix Christmas with Scrappy whatever. Use the same background fabric throughout the blocks.

The blocks will be 8" finished. With a border of 4", the finished size could be: Vertical – 35" x 44.5" or Horizontal – 44.5" x 35".

Instructions in September will be included to make the blocks smaller or larger. You may certainly change the size of the border and sashing sizes if you wish. Sashing is also included within the quilt which is 1.5" wide included in the sizes listed.

SIGN UP BEGAN AT THE JULY 10TH meeting and the cost is \$10 for the year. The first 2 blocks will go out September 1st and one the first of every month after. The month of September you will receive 2 easy block patterns. Then in September 2025 you will have completed all 12 for your quilt.

Each month, you will receive the block and a printout of the pattern. Your finished block will be brought to the following meeting for show and tell!

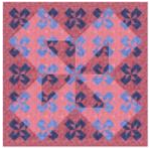

I hope you enjoy our journey making a different traditional sampler quilt.

Four guild members (one husband and a dog) enjoyed a sunny and warm walk around Pine Dunes Forest Preserve in July! The 2.2 mile walk flew by as we chatted and enjoyed the scenery. Here's hoping more of you can join us in October!

Any questions, contact president@nlcgg.org.

Swapping the Advent Box

This Christmas we are swapping out the Advent box for a Santa Swap. Swappers will fill a shirt sized gift box with a main swap item, then fill the rest of the box with handmade and other Christmas goodies.

This year the main swap item will be a Holiday/ Winter table runner. Table runners should be at least 12 inches by 36 inches and be winter or holiday themed. (We request no 10-minute runners.) Fill the rest of the box with goodies to a \$20.00 minimum. Examples of swap box stuffers could include: fat quarters, fancy pins, thimbles, rug mugs, thread, zipper pulls, zipper pouches, holiday candy, and hot cocoa. Boxes will be exchanged at the Guild Christmas Party.

Now is the time to start planning for the Christmas Swap. We will have a sign up starting in September. If you have a question, please contact Cathy Warchal @ Library@nlcgg.org

Book Review by Nann Hilyard

Dress Codes:

How the Laws of Fashion Made History by Richard Thompson Ford

Ford presents an engagingly-written history of how fashion and style in Western European culture have evolved over the centuries. What we think of as hard-and-fast rules are not immutable. Everyone wore loose-fitting robes in medieval times. Men wore lace and high heels. The Great Masculine Renunciation changed everything in the late 18th century--ever since "the norm" has been the jacket-and-trousers suit while women's clothing has become more decorative.

Those norms have been challenged in the 20th and 21st century with 'ethnic' clothing (and hair) and religious statements (e.g. the hijab and 'modest' attire).

"All clothing is artifice, contrived to convey meaning and produce an effect....Our deepest, most authentic selves are not born; they are fashioned." (p. 354)

"The way we cover, embellish, and present our bodies influences how we come to understand our place in the world." (p. 358)

NLCQG Library

Rulers, MSQC Block magazine and more! Check out the ruler list. We have 77 rulers from the large 20" Dresdens to tiny templates for tiny quilts. We have several Flying geese rulers in different sizes. Need to cut scallops? There is a ruler for that. Take a peek at the Updated Missouri Star Block books and grab a new ruler to make something beautiful.

Need help cutting binding? We have Accquilt dies to cut 1.5, 2.5 and 3.5 dies to cut accurate strips. Doing a rag quilt? There is a die for that. Cut up to (6) 8.5" squares at a time, rag cuts included. Don't have a cutter? We do have 1 hand die cutter to lend out.
