

# NORTHERN LAKE COUNTY QUILTERS' GUILD

# THREADLINES

APRIL 2025

Dear Fellow Quilters:

Spring has arrived and April is almost here. I don't know about you but I am very much looking forward to the warmer weather. Although the mantra I remember hearing as a child was "April Showers bring May Flowers," I must admit I am not looking forward to the mud that comes with.

So how do you all think our first in person meeting of the year went in our new home? I thought it went very well and it was so nice to see everyone in person again. We did learn something. We were under the impression that we could not enter the building until 6:00 pm. But truth is we can get in at 5:00. So, anyone wanting more visiting time can arrive earlier than we thought. We will just need someone to be responsible for opening the doors at 5. Just let me know who and I will make sure you have the door code and the secret to opening the front door. Hint, it's a church key. Otherwise, I will be there at 6 to open the doors.

We are still looking for that person, or group of persons, who would like to host a second UFO. The host or hosts are really only responsible for opening the doors at the designated time and making sure the front door is locked at the end of the day and the room is set up as we found it for the Antioch Senior Center.

On March 22 we began working with a 4H Group helping them learn about sewing by making a table runner. Five of us met the girls and helped them get started on their table runners. It was a great deal of fun and we will meet again on March 29 and every Saturday for six weeks for an hour. We sure could use a few more volunteers. We began with 4 girls and the 29<sup>th</sup> we anticipate having seven students. Several of the Guild Members will be unavailable every one of those Saturdays. So, if you could join us for some of the meetings it would be a great help. If you can spare a little time to help these young people learn about sewing, please contact Gail Johnson (our Newsletter Editor) to coordinate.

We are looking for two individuals to be our Nominating Committee to begin the search for a new Vice President, Treasurer, Programs Director and Membership Director. Please think about volunteering for the Nominating Committee. We also still need volunteers for the Vice President and Programs Director positions. We already have a volunteer for Membership and a tentative volunteer for Treasurer.

Mark your calendars for May 10, 2025 for Michael's Sewing Machine Clinic where he will teach us how to clean our sewing machines. Doors will open at 9 with a 9:30 start time. The clinic is anticipated to last about 2 hrs. I must admit I am really looking forward to this.

Another exciting event coming up is Chair Yoga with Lory Leyman. Karen Grage is coordinating with Lory to hold these events in conjunctions with Skill Builders. We look forward to hearing more about dates and times.

Charity Sews are scheduled for May 10 and June 7. Hopefully you will be able to attend to support the wonderful work this Guild does for Charity and just as important to support our Charity coordinators in all the hard work they do for the Guild. It occurs to me that with 85 Guild members, if everyone took just one of the kits Roberta and Dawn have put together we would do two things, (1) have many completed items to present to our various organizations and (2) help clear out some of our fabric stash from Roberta's basement.

Looking forward to seeing everyone at our April meeting. And remember, this is YOUR Guild. If there are things you want to talk about, please come to the Business Meetings held the 2<sup>nd</sup> Wednesday of the month at 7:15 pm. Speaking for the Board, we want to hear from you!

Take care all and Happy Sewing

Carol

Spring is here and I saw my first Robin of the year! So I took it as a sign that I need to plan another Round Robin Event! It is an opportunity for everyone.

Whether you had so much fun, you want to return, or were unable to participate last year or you are new to the guild. There is no fee for this event!

You can sign up by contacting Cathy Briscoe or Jeri Schertz

### Please send by May 30!!!

Just for fun, you can add a note to introduce yourself and journal your work. This is optional!

Remember these will be kept **SECRET** until the last person has completed a border. When all are completed, we will have a reveal.. Date to **TBD**

Here's how it goes:

1. Make a block of your choice
2. Place your block in a non-sew through bag big enough to hold a growing pieced top.
3. Include any fabric you want used in your quilt. This is optional! Other fabric will also be used throughout.
4. Bring your bag to the guild meeting in June. You will receive a tag to attach to your bag. This stays on for the duration. You will give your bag to the first person on the list on your tag.
5. You will take it home and add a border around the block. Then bring to the next month's meeting and it will be passed to the next person.

## Village Quilters Raffle

The Village Quilters will be showing their beautiful quilt at our April meeting. Raffle tickets will be available.

## Machine Maintenance Class

Hello fellow quilters! I am so pleased to bring to you sewing machine, maintenance 101! I believe I could speak for everyone when I say that you have invested a lot of time and money into our wonderful craft, that is certainly the case when it comes to our sewing machines. One of the things I've realized is when purchasing a machine, you're not properly taught how to maintain and care for your machine on an in-depth level. Well, those days are over! Please join me on May 10 from 9 AM to 12 PM when I will show you how to properly service your machine at home and avoid those pesky maintenance fees! After you take my class, you will only have to bring your machine in for major tune ups!

Here is a list of items that you will need to bring and or purchase for the class to effectively work on your machines:

1. Your machine
2. The tool set that you were provided when you purchased the machine or an equivalent
3. One can of condensed air or forced air
4. Q-tips, tweezers, sewer aid or sewing machine oil, wet wipes or something equivalent, small Phillips or flathead screwdriver if you don't have your original tool set for your machine.

Please note that I will be teaching you on your domestic machines, and I am certified in all brands with the exception of Brenna or Burnett.

There will be a five dollar donation collected the day of for charity. Also bring your lunch or snacks to munch while we are going through class.

I'm really looking forward to seeing you all and teaching you some new skills and in the process of saving you money!!

Michael F. Nardi Jr.

## Upcoming Meeting Information

### April 2 - Rafflemania

One of the most popular events of the year... Rafflemania! Members donate gently used fiber related items to "raffle" off as a guild fundraiser. This includes items such as quilt books, yarn, crochet and knitting supplies, sewing supplies, sewing patterns, gadgets, rulers, templates, threads, bobbin holders, needles, pins and of course, those fabrics that you once loved and now categorize as hideous. (Only fiber related items and no magazines.) Please bundle items together either in bags or with rubber bands to keep them from intermingling with other stacks.

How this works:

Items are placed on the tables next to paper bags. Members purchase and fill out raffle tickets to try for items they wish to win. (Hint: Return address labels come in handy for this!)

A name is drawn from each bag and the winner gets to take home the goodies!

Raffle tickets are \$1 each, 6 for \$5, 15 for \$10 and 35 for \$20.

If an item did not have any tickets submitted, the contributor is responsible for taking it home.

### May 7 – Misty Doan

Misty is the go-to for fabulous home decor projects! She grew up surrounded by sewing and quilting. She loves spending time with her family and with her "quilts" friends each week as she hosts her At Home with Misty tutorials. She is also hosting a new Missouri Star show called Homespun. Catch up with her as she chats with designers, makers, and influencer in the world of fabric and fiber arts.

## May 8 – Sweet Violet Class with Misty Doan

Is everyone ready for a little spring!? Please join Misty as she shows us how to make her Sweet Violet Quilt! Class will be held on May 8th, 2025 at the Grant Township center and start promptly at 9 AM and ending at 1 PM. Class is \$50 per person, which includes the pattern. One more thing, make sure you bring your pennies with you. Misty is going to have a small shop going during class for some extra goodies! This is going to be so much fun and I'm looking forward to it. Space is limited so it's first come first served. You will be able to pay for the class at our March meeting!

## Join the Spark Plugs!

The March spark plugs discussion revolved around using EQ to draft your quilt blocks. Whether you are creating your own quilt from scratch or redrafting blocks you like, this is a wonderful topic for discussion.

Even if you don't own EQ, we'd love to have you join us for future meetings. The depth of Electric Quilt is truly remarkable.

If you're interested in being a Spark Plug, send an email to [skillbuilders@nlcgg.org](mailto:skillbuilders@nlcgg.org)

## Block of the Month 2024-2025

Sorry that so many of you did not receive the last block in a timely manner. I send the block out the day after the guild meeting. So, if you do NOT receive it within a day or two, please let me know.

I did send a TEST email to everyone to respond to. When you respond please just reply to me, not all - everyone would get a duplicate email! Look for the next block on April 3rd. I hope that you are enjoying this project. The blocks have a variety of techniques to sharpen your skills!! Looking forward to seeing all of your lovely quilts!

We currently have 4 teachers but would love to have 5 and a couple of floaters. If you are interested in teaching a one-hour classes or filling in as a floater at the Old Lake County Fairgrounds in Grayslake, please give Gail a call (or text) at 847-702-5589.

Charity sewing days are making a comeback! Join us Saturday May 10 and Saturday June 7 at the Antioch Township Center for Skill Builder/Charity Sewing. Our focus project will be Quilted Hugs. I will be bringing some of our fabric, including fleece for the lining, to the May sewing day. Please take a look at the links in the newsletter to start getting an idea of what your hug will look like. Many are made with jelly rolls but they can be created with a single piece of fabric or blocks. If you're not interested in making a quilted hug, that's ok too! I will have ready to sew kits of all kinds.

Please note, Roberta will not be at the April meeting. Please give Project Linus blankets to Cathy Briscoe and all other donations to Dawn. Be on the lookout for great scrappy bags at Rafflemania!

Thank you for all you do!

## Upcoming Quilt Events

### Dunn Museum - Threads of Time: Quilts and Textiles

1899 W Winchester Rd, Libertyville, IL  
February 15–May 4, 2025 | Open in-person and virtually

Quilts and textiles from the Dunn Museum's collections provide a colorful glimpse of Lake County's history from the 1830s to the 2000s. Through quilts, clothing and sewing artifacts, this exhibition showcases stories stitched into every piece—from a quilt passed down through four generations to a winter wedding gown worn by a Yugoslavian-American bride. Textiles, whether used for fashion, décor or comfort, reveal the rich and intricate narratives woven into the fabric of our shared past.

### Thread Painting with Nina Clotfelter

Full day workshop on Monday, April 7, 2025;  
\$85 which includes kit

The Southport Quilters Guild is hosting a workshop on Monday, April 7, 2025, at St Paul's Lutheran Church (8760 39th Ave in Kenosha). We have several slots still available for anyone who wants to learn more about thread painting. This is a full day workshop starting at 9:00am. We will of course take a break for lunch.

There is a supply list which I will share to anyone who is interested. The kit supplied by Nina includes different stabilizers.

Thread Painting is many things...creating a picture, adding details, dimension, and/or depth to an applique, making fur on an animal, or just adding little details to make your creation come alive. You will learn loads of techniques in this class, and you'll learn all about stabilizers. You'll create different items using the stabilizers. This is a fabulous technique to add to your skills! You'll be surprised how fun and forgiving Thread Painting is!!! Be warned...this is addictingly fun!!!!
