

## NORTHERN LAKE COUNTY QUILTERS' GUILD

# THREADLINES

SEPTEMBER 2025

Hello Again Fellow Quilters:

Seems like I just worked on my August President's message and now here I am wondering what I am going to talk about for September.

It's been a year and so far the Guild hasn't folded under my Presidency. I must admit I am kind of amazed. I have spent most of my life avoiding being the center of attention and yet here I am. I bring this up because I want to express to you all a heartfelt Thank You for accepting me and my little idiosyncrasies and making my job so easy during this past year. I look forward to spending the next year with you.

It's time to "reup" for another year. I hope to see you all this upcoming year. We have some great things planned and I would hate for you to miss any of them.

So the big question I have for you all now that we are at the end of summer is, did you get as much sewing done as you had hoped too? I know I did not. I am looking forward to our upcoming UFOs to hopefully catch up a little bit. I have all these bags of projects put together that I want to get finished. But I have to start on them before I can finish them. Sigh. Oh well, Sew On.

I want to take a moment to thank our outgoing Board Members, Dung Le, Treasurer, Michael Nardi, Programs, Jeanne Weatherbee, Membership, and last but not least, Pat Giovacchini, Vice President. Pat has agreed to stay on for another term as V.P.

A heartfelt Thank You to you all for all you have done for the Guild. The Guild is better for your having given of your time and talents.

I was very excited that we have finally found a solution to having UFOs, Skill Builders, and other sewing sessions at the Antioch Township Center. I know we have all found the main room difficult, not enough light, too hot, not enough electrical outlets, the list goes on. But using the community room has proven to be perfect, lots of light, temperature is acceptable and most importantly, lots of electrical outlets. Thank you to all of you who worked to make sewing in the community room a possibility.

I just wanted to mention that if you have a change in email address, please send that change to membership. Our membership chairman takes care of keeping the master list updated so you will get email as well as newsletters and any other information for the Guild.

From September 1 we have 116 days till Christmas and 95 days till our Holiday Party. We will be at Dockers North in Antioch. Signups will begin at our September meeting. See Programs to sign up, if you are paying cash the treasurer will take your payment and give you a receipt. Our menu will be carved roast beef, baked chicken and mostaccoli and the cost is \$35.00 per person, which includes non-alcoholic beverage, tax and gratuity. We will have a desert table so we can bring in our own creations to share for dessert. I hope you will all be able to attend. And this year we won't have to set up or clean up and no taking out the trash.

Don't forget that Charities is doing a Sale Table at the September meeting. This will give you an opportunity to pick up some much needed items for your stash and that quilt you need just the right fabric to finish. It would be appreciated if you could bring cash or a check for this event. Plan to stock up at these prices.

We were hacked again. I wish there was some way we could stop this, but I just don't know of any. One thing I can assure you is I will NEVER ask you to send me money and certainly will NEVER ask you to purchase gift cards to send to me. A quick check, if you are unsure if the email is really from me, is I never sign an email with my full name and never reference being the president. If either of those things are included in an email you think might be from me, you can rest assured it is NOT from me.

And with that I am going to continue binding the quilt I have in my lap right now and will see you all on September 3.

Sew on my friends.

Carol

## 2025-26 Block of the Month

The program officially begins this month and runs through September 2026.

If you'd like more details, please reach out to Marie D'Amico.

Let's have some fun and make this a quilting year to remember!

## 2024-25 Block of the Month

2024-2025 BOM Quilters - For the November display of your quilt it MUST BE: Finished- three layers, top, batting, backing. Quilted, bound and a hanging sleeve. Don't forget a label on the back, your name. Quilt title if it has one, and date finished.

Thanks,  
Nancy B

## Charity Corner

September Super Sale! This is the sale you've been waiting for! Curated bundles, yards and yards of fabric and fat quarters at low, low prices! Please bring small bills or checks. It's going to be a busy month; we don't want to slow down the shopping!

Do you know someone with dementia or Alzheimer's? Fidget Quilts have been proven to reduce anxiety and agitation and promote a sense of calm. November Skill Builder/Charity Sewing in Antioch will be focused on creating Fidget Quilts. I have heard that some quilters are confused with the fidget quilt process. I will have step by step instructions in kits, including fun textures to add interest. Give one to a loved one or donate it to the guild for our nursing home donation. Watch the newsletter for timing, and sign-ups. There is no charge for this, it would be helpful to know how many people are interested to get kits ready.

Check our website for other patterns and ideas. Anything you feel like making, we can find a good home for. From small items to bed quilts, we have facilities in need.

Thanks for all you do for our community,

Roberta & Dawn

## Round Robin Quilt

Hello everyone! Isn't it amazing what we can do when our creativity is challenged! Can't believe another month has gone by. Time to bring your current bag for another trade at our September 3 meeting.

Please let me know if you cannot be at the meeting and I will arrange for an exchange. [cathyb1810@gmail.com](mailto:cathyb1810@gmail.com). Again, if you have a friend that will be attending the meeting, feel free to ask them to bring your bag.

Presentation of completed tops will be at the November meeting.

Cathy:)

## 4-H Thank You

We received a lovely thank you from Ofelia for the 4-H classes we provided.

Dear valued 4-H volunteer,  
I hope this message finds you well. I wanted to extend my deepest thanks to you and the Northern Lake County Quilters Guild for the incredible support and guidance you provided to our 4-H youth this spring and into summer. Thanks to the careful instruction and encouragement from your dedicated volunteers, most of the children were able to complete their quilting projects just in time to be eligible for the Lake County Fair. It was truly inspiring to see how patiently and kindly they were guided—whether adjusting a seam, fixing a thread, or learning to cut with care. Your team's gentle words and steady presence made a lasting impact. The NLCQG volunteers truly embodied the 4-H spirit: by surrounding children with people who believe in them, leading with care, and creating a safe and inclusive space where every child feels like they belong. You helped our youth explore what excites them, discover new passions, and grow into their best selves. Thank you again for your generosity, your time, and your belief in our young people. We are so grateful for this partnership and look forward to future opportunities to collaborate. Thank you again for all your efforts!

Kind regards,  
Ofelia Delgado

Program Coordinator, 4-H Youth Development

## Upcoming Meeting Information

### September 3 – Elections

We will be electing Vice President, Programs, Treasurer and Membership positions. Bring finished Challenge Quilts to be anonymously voted on for first, second and third place cash prizes.

### October 1 – Judy Martin

Judy Martin has been making quilts steadily since 1969. She is an internationally known quilt designer and author of 24 quilt books and 4 electronic-only books. Judy was a pioneer of machine

piecing, popularizing the now-ubiquitous technique in her writings at *Leman Publications* from 1979–1987. As a senior editor of *Quilter's Newsletter* and the first editor of *Quiltmaker*, she was instrumental in modernizing pattern presentation and standardizing yardage calculations at the two magazines.

Judy designs her quilts in Adobe Illustrator. She likes it for the mathematical precision and for its versatility with non-grid designs. She usually works within the traditional framework of repeating blocks or medallions. Her work clearly shows a familiarity with and appreciation for traditional quilts, yet it is subtly original. She appreciates all the pattern possibilities handed down from our quilting forebears and strives to find new ways to rotary cut the wide variety of shapes found in these quilts. She is one of the few traditional style designers and authors to continue to offer food for thought for intermediate and advanced quilters.

Judy is considered by many to be among the top of her field in the areas of scrap quilts, Log Cabins, and pieced borders. Most of her quilts are scrap quilts with pieced borders. She has made 62 Log Cabin quilts over the years, written 3 books dedicated to the subject, and included a Log Cabin quilt in most of her books. Lone Stars are another interest of hers, and she written 2 books of Lone Star quilt variations. Her five block books make her a frontrunner for the title of the Queen of Quilt Blocks.

Judy has a passion for quilts, and she has made it her life's work to share her enthusiasm and experience in quilt design and construction with other quilters. Judy is one of the most prolific pattern writers in the business, but nothing pleases her more than seeing her students and readers take her patterns in new directions of their own.

### November 5 – Charitable opportunities presented by Roberta and Karen.

### May 6, 2026 – Cathe Holden

Cathe Holden designs fabric for Moda Fabrics, drawing inspiration from her treasured collection of vintage textiles and ephemera. With a long career in graphic design that naturally transitioned into the

quilting industry, her work blends nostalgia, artistry, and modern usability—celebrating the charm and craftsmanship of textiles past while sharing her love of stitching projects with others. She lives in rural Petaluma, California, and works from her large, mercantile-inspired studio.

### Presentation (May 6th 2026 7pm)

Cathe Holden will present a keynote sharing her creative journey, her studio, and her background as a graphic designer turned fabric designer for Moda Fabrics. She will also showcase a trunk show of inspiration with her delightful stitching projects.

### Provisions Keeper Workshop (May 7<sup>th</sup>, 9am-4pm)

In this one-day workshop with all materials included, you'll step away from the sewing machine with needle in hand to create a charming sewing notions holder using a mix of vintage and new textiles and trims to organize and store your on-

the-go sewing essentials. Utilizing pieces from some of Cathe's favorite fabric collections combined with an antique quilt block, this project blends utility with nostalgic style, making it both a practical tool and a keepsake you'll treasure.

The class price is \$60 and includes all the material! This class has limited seating and kits. there are 25 slots available. **Signup's will begin at our September guild meeting.**

## Santa Swap

Only four more months till Santa swap. This year will be swapping quilted tote bags. Smaller size would be 21 x 21 and every bag must have something quilted on it whether it's the pockets, the handles or something special on the front of the bag. The bag does not have to be Christmas themed nor does it need to have a zipper. Pinterest has many ideas for wonderful looking tote bags. Start your project now so you'll be ready for the Santa swap at our Christmas party!

Thank You  
Cathy Warchal
