

NORTHERN LAKE COUNTY QUILTERS' GUILD

THREADLINES

JANUARY 2026

Happy Holidays Fellow Quilters,

So many things to cover in this newsletter. I just don't know where to start.

I hope all of you had a wonderful Thanksgiving and were able to spend it with family and friends. Our family had a particularly awesome Thanksgiving Day. After a day of good food, family and friends, our grandson who is a senior at Riverside Brookfield High School got the news of a lifetime. Those of you who are educators will especially appreciate this, he got an email thru his college portal that he was accepted into the Honors Program at Tulane University in New Orleans. The balance of our evening was spent in tears and laughter all at the same time as I am sure you can well imagine. Thinking of Karen's story of her daughter and her blanket, I am thinking that his homemade quilt may well be very cherished as he goes so far away from home for the first time.

Moving along thru our month, we quickly come to our Holiday Party. What a wonderful party it was. A huge Thank You to our party committee for stepping up and putting together a great nite for everyone. The food was great the entertainment was right on target and we didn't have to do dishes or vacuum afterwards. Was a great nite for all. I cannot say enough for our committee, Roberta, Lynn and Lory for all the hard work they put in and to Carolyn K for finding the spot for us. Thank you to all of you for a job well done.

As we worked our way to and thru the Holiday Season the long awaited December 21, 2025 quickly arrived. Once the cold weather sets in I wait with baited breath for 12-21. Why you ask, well it's the shortest day of the year and starting 12-22 the days start getting longer and spring is on its way.

January is almost upon us and with that comes our January Guild Meeting which will be via zoom. I will open the room at approximately 6:00 p.m., so anyone wishing to can join the room and visit with your fellow guild members. **Please remember that our guild meeting in January will be on Tuesday, January 6, 2026.** We had a scheduling problem crop up so to accommodate our speaker we have moved the meeting to Tuesday 1-6-26. Come February we will be back on track for the first Wednesday of the month. Thank you all for being so understanding about the need for the change in January.

I am so looking forward to our change of location beginning in March 2026 for meetings. I am hoping this new site will work out and be so much easier for everyone to navigate. I hope before March you will have a chance to do a drive by during the daylight so that you will be able to get there in the evening more easily.

Happy Holidays to you all and looking forward to seeing you all on January 6.

Boutique

This year tote bags were a big hit, especially at the Farmer's Markets, we only have a few left. The Bowl Cozies were the #1 hit at all the venues. If you have time this winter, please make a few for next year's boutique. The preferred size is made from a 11- or 12-inch square. The Creative Grids Template makes one with the rounded edges. The link below is for squared edges where you can print a paper pattern and tape together.

If you'd like to make something a little smaller, try making some travel tissue holders. We have many in batik fabrics, but again nothing with "conversational" type fabrics. Many were purchased as stocking stuffers at the fall craft fairs, so there is no rush to get them done!

Here's a link to a travel tissue holder tutorial:

Please hold anything you might make over the winter and we will start collections again in the Spring. Thank you to everyone who contributed items for our Boutique throughout the year and please watch the newsletter for updates on when we will start our 2026 journey.

2026 Mystery Quilt

Our 4th annual guild mystery quilt will start in February of 2026! The announcement flyer went out in December and as a reminder, here are some details:

This year's quilt has a modern design and will have lots of negative space. The quilt is designed to be twin sized so to help you with your early shopping, you will need approximately 5 ¾ yards of your background fabric. Think neutrals, fabric that lets other fabrics stand out. There will be two alternate sizes given so for a lap quilt you will need approximately 3 ¾ yards of background and for a baby quilt you will need approximately 1 ¾ yards.

Sign up has started so if you would like to sign up or have any questions, email mystery@nlcqg.org. Looking forward to quilting along with everyone this winter!

Charity Corner

As we stay cozy in our homes and sewing areas this winter, I hope you take some time to remember those who could use a little handmade "cozy". Children in distress, women leaving abusive homes, seniors sitting alone – we can help them with our talents!

If you have anything to donate before we meet again, please email charity@nlcqg.org to arrange drop off or pick up.

Thank you for all you do for our community.

Postcard Exchange and January Skill Builder

Greetings 2026 Quilting Postcard Pen Pals!

We hope you had a great holiday and hope that you have either started or completed your soon to be January postcard ideas! We have some super talented quilters out there who have taken on this challenge full throttled. We also have some new quilters who are shaken to the core. Nonetheless, we are very happy you are in it for the next two months. We will guide you through the process for sure!

By now, those who have signed up should have received an email about the Quilt Postcard exchange. We will follow up with your pen pal info soon after.

We are hosting a Zoom Postcard skill builder on January 8th (time to be determined) to answer any questions one may have with this exchange. We will show examples of what we have received in the past and share info where you can find more info on line. Creativity is all up to you, it's your own works of art!

See you soon!

Co-Chairs, Postcard Exchange
